Miss Jean L. Dally, 24, of 7146 San Miguel Avenue, Lemon Grove, has adopted Rosella Lenti, five-year-old Italian child. Miss Dally has agreed to send \$15 each month for at least a year to Foster Parents' Plan.

In a telephone interview with The REVIEW, Miss Dally, Foster Parent No. 10500, said she first became interested in adopting a youngster from reading an advertisement in American Magazine a couple of years ago, when the plight of Korean children was made known. She thought of adopting a child for some time, finally got in touch with Foster Parents' Plan headquarters at 42 West 61st Street, New York City, 23, and adopted Rosella Lenti, a five-year-old Italian child.

Miss Dally is a practical nurse, presently recuperating from a strained back. She says the happy feeling she gets from her contribution to the "Plan" more than repays her for the financial outlay.

Foster Parents' Plan has aided

Rosella Lenti and Mother

more than 75,000 war children. It is operating in Belgium, France, Western Germany, Greece, Holland, Italy and Spain, and is helping unfortunate and impoverished children of 19 different nationalities without regard to race or creed.

Foster Parents' Plan is a non-profit, non-propaganda, non-sectarian, independent, government-approved relief organization which according to the by-laws provides for the "care, maintenance, education, training and well-being of children orphaned and distressed and otherwise made destitute." It does not dole out relief; each child is treated as an individual. "Adoption" is financial, not legal. The Foster Parent merely promises to contribute \$15 monthly towards the child's support, for at least a year. Of this sum the child receives \$8 each month as an outright cash grant. The remainder is made up of periodic food and new clothing packages. Furthermore, any special needs of the child are taken care of. In return, the Foster Parent receives a brief history of the child and a photograph, and correspondence through the plan office is encouraged with letters translated both ways, since the children need the feeling of being loved and belonging to someone, somewhere.

Rosella lives in a tiny village about 25 miles from Rome, in a two-room stone house which the family owns. The rats leak in and the walls are discolored with the constant dampness. There are two rooms, a bedroom and a kitchen. In the former there is a large bed and a folding one with mattresses made of corn husks. Cooking is done on a rudimentary fireplace, with brushwood which they gather in the woods. There is no running water and no toilet facilities. They do have electricity which costs about 40 cents.

Rosella's father suffers from a serious form of arthritis and bitter trouble but he does a day's work whenever he is called. He averages six days a month, earning \$1.20 per day, but this is only during the summer months when there is work in the fields. In winter there is no work at all.

The mother suffers from scatica and looks far older than her years.

The oldest son, Umberto, is doing his military service and cannot help his family, as Italian soldiers are not paid even enough for their own needs.

Leonne, 17, cannot find work in the fields and on other kind of employment is available. She gathers brush in the woods which she sells to the local baker, earning about \$1.00 a month when she is lucky. Gilda, 12, still goes to school, but he is lymphatic and predisposed to T.B. ## Broadway Improvement Interest Stirred Again At Men's Club Meeting

Friday's gathering of the Men's Club proved most interesting to all attending, some 20 persons (all men), though only 18 signed the book. Some of the signatures are hard to decipher.

Harry Griffen, who knows most about this Broadway widening project, owns a large frontage on that thoroughfare and is financially interested in the expense involved. He was present, didn't want to be speaker of the day but said he would endeavor to answer any questions. It had been hoped that Mr. Ammons, who has led the opposition to this project, would be present with a proposal of something besides "let the county do it."

Ken Harwick, who was absent last week — took his family to Long Beach for a four-day's visit, got his nose sun-burned, and paid a two-bit fine for his absence — was prompt in stating that anyone who was not present last week could send up their 25 cents and get square. Somebody called Ken "our two-bit secretary" for keeping the absees record straight.

Harry Griffen and Doc Jiggs sat side by each other and talked about selling real estate. Harry likes to make trades, and Doc likes to sell straight out and get his money. Said he had sold his house on the hill, but had canceled the sale of another house 'cause the woman purchaser became too demanding, wanted this changed and something else moved 'till he found a clause in the escrow permitting him to cancel it, which he did, and the sale was off. \$12,000 was involved.

About that time the entrée was brought to the table and Doc looked at his selection and said "I should have eaten my spaghetti at home. There's only a spoonful here."

Tony Sonska took charge of the program at this point. He had been instrumental in securing the attendance of Harry Griffen, and asked Harry to tell the boys about the widening.

Harry said that time is important in this matter. Lemon Grove is tenth on the priority list, where county funds from gas tax etc. are allotted on the basis of accidents. While the accident list in Lemon Grove is broad, money has been small, the hazard remains, and two lanes of parking on each side of Broadway could raise the quota."

Continuing, Griffen said: "Let the County do it" is okeh, but time is important, and we can't wait ten years. I would like to see the County make the improvement, as I own a con-

### New Officers Named for Hillside Hospital

San Miguel Hospital Association has elected a new slate of officers for the coming year. These officers become the governing body of Hillside Hospital at 1940 El Cajon Blvd.

Officers elected are: Dr. Gordon L. Klaus, president; Dr. John A. Donevan, vice president.

Dr. Rupert E. Graves Jr., secretary-treasurer. Other board members are: Dr. Robert E. Abell, Dr. Michael M. Homnick, Dr. Richard L. Pascoe, Also Dr. Irvin L. Schroeder, Dr. Martin A. Sheetz and Dr. Harry F. Talbot.

Locally, Dr. Thayer Crow, 7802 Pacific, is a member of the group.

He is a former board member and former chairman of the group's finance committee.

Plan has now come to the rescue of this needy family and Rosella has been taken under its kindly wing. The child suffers from nervous attacks which the doctor declares are the result of undernourishment. She likes going to kindergarten because there she gets a bowl of hot soup at noon. She is a pretty child, lively and affectionate.

The material aid of Foster Parents will assure her of the food and clothing she needs as well as medical supervision. Perhaps it will also make it possible for her to have the doll she yearns for. Of equal importance to the morale of the whole family will be their affectionate interest.

## Assessor McQuilken Meets Staff — No Changes Announced

John McQuilken, appointed to the office of county assessor by the board of supervisors to serve the balance of Art Eddy's elected term, called a meeting of the office's employees last Monday morning at 8 o'clock and became acquainted with the folks who will help him run the office.

H. P. Requa, chief deputy under Eddy, will remain in that position until McQuilken gets the run of things. Mr. Requa expects to retire at the end of the year.

No changes in department heads were made. Work in the office is light at this time of year. The rolls have been turned over to the auditor for completion, the operators of the billing machines will start their refreshment course in about a week, and when the rate is set by the supervisors September 1, the machines will start figuring each bill.

Total number of tax bills is around 200,000. Before the machines were purchased, taxes were figured "by hand," using a table of calculations on a sheet. It was a big job, though there were fewer rolls. Now the machines do all the work of multiplying the total assessment by the rate set, which includes the school tax and some special districts, in separate columns and the bill is typed at the same operation, a carbon being slipped between the bill and the roll page.

Elmer Leffert, deputy auditor and chief of tax computation section, has his office in the basement under the tax collector's office. Mr. Leffert has been in charge of this part of the auditor's duties for more than 20 years, having assumed the responsibility when R. W. Getty was appointed auditor. If you want to know anything about your taxes, just call on Elmer. He knows all the right answers.

The law requires the assessor to turn the rolls over to the auditor on July 1, the auditor does the figuring and the tax collector makes, mails and collects the bills. You will probably get your tax bill about October 25, and first installment will be due Nov. 1, becoming delinquent at 5 o'clock p.m. on December 10, just in time to do your Christmas shopping. —D. ## Ten New Homes To Be Built On San Miguel

Ten homes are to be built on a plot of ground fronting on 7133 San Miguel Avenue reported Jessie and Jesse Metcalf who recently sold the land to developers.

The houses will be mostly 3

and 4 bedrooms and will be in the \$18,000-\$20,000 bracket the couple said. The homes are being built on a banjo type street by Adams Construction Company. It was reported.

## Local Republicans To Hold Public Meeting Monday At Junior Hi Cafetorium

The first general meeting of area Republicans Monday evening at 7:30 at the Junior Cafetorium will feature a star-studded list of GOP bigwigs. Roy Erwin, temporary president of the club, said at an organizational meeting last week, the meeting is sponsored by the Lemon Grove Republican Women's Club.

The new staff committee was appointed by the board and Dr. Gerald M. Hunt was elected chief of staff. His co-workers on the committee are Dr. Robert K. Schaefer and Dr. Roger E. Graves Jr.

Locally, Dr. Thayer Crow, 7802 Pacific, is a member of the group.

He is a former board member and former chairman of the group's finance committee.

## Needy Aged Persons to Get Dollar-a-Week Increases

SACRAMENTO (Spcl) — Increases of \$4 for each needy aged and blind person and \$2 for each needy child was authorized by the state social welfare board during a public hearing in Sacramento.

Acting chairman Mrs. Jackson Chance of Menlo Park stated the action was taken to adopt rules and regulations to conform with the provisions of the welfare bill President Eisenhower signed recently to provide additional money to aid recipients without increased cost to the State of California.

The federal funds will be available October 1 and will increase the needy old age grant from a total of \$65 to \$85 and needy blind from \$65 to \$80 for each person on the welfare rolls in California.

The needy parent or caretaker of children in the aid to needy children program will also receive a \$2 increase.

The reduction of the age limit to 82 years old for the receipt of federal old age survivor insurance benefits by women does not affect the age limit in the welfare assistance programs which remains at 65.

## THINGS DOIN' & BREWIN'

### About Civic Center

By DICK HENDERSON

August is vacation month, and many employees of the various departments of county government are taking their annual two-week vacation at this time—that is, if they picked this month when asked their choice earlier in the year. Some of the gals and boys have already had their time off, and those who chose September and October are "anticipating," which is sometimes more fun than realization.

One gal in Tax Collector Easton's force wore a handsome new dress on Tuesday. Explained that she called it her "crap-shootin' dress, because she and her hubby had gone to Las Vegas the Saturday before and hubby had won \$170 at the crap table, so she got the dress as her share of the loot." She also had a handsome new necklace.

The booths in Spanish Village are getting pretty good play too. Pretty earrings are being worn by a number of the gals, and other articles of adornment are in evidence, and queries as to "how come" being "Spanish Village."

A group of gals employed in the C. C. cafeteria went to the Village one evening recently, had a grand time.

The prize decoration to our nation was the headpiece purchased by Norma Jo Hetrick, head coffee maker Tuesday. She wore a tiny hat with a beautiful flower growing straight up, at least six inches high. Red and pink predominated in the color scheme. The hat, with fringes, was about the size of a tea cup, and was fastened in place with an elastic. Norma Jo said the gals had a lot of fun, and one gal's daughter had a baby (in the hospital) that same evening.

The board of supervisors chairman, the Hon. David Bird, was not present at Tuesday's session. He is attending the supervisor's annual convention in Eureka. Supervisor Austin was to have joined him the first day.

Supervisor Howell presided. At 10:30 bids for the sale of \$10,000-\$15,000 Series "A" Coronado Unified School District Bonds were opened.

At 11:30 the hearing on petition for the formation of Santee County Water District, approved by the County Board of Education, superintendent of schools, director of public works and chief administrative officer, the proposal of Supervisor Austin that the activities of the board seemed to be in favor of the change of headquarters, was considered.

## SAN DIEGO GLASS AND PAINT TO OCCUPY NEW BROADWAY BUILDING IN LEMON GROVE

San Diego Glass and Paint Company, the county's largest paint and glass firm will open a retail wholesale outlet in Lemon Grove early this fall it was announced this week by Ed Connell, assistant manager of the firm.

Construction is under way at 7379 Broadway, near Buena Vista and the enterprise will cover a lot 72 feet wide on Broadway and 153 feet deep. This will include wide driveways and a large parking area.

The new business will represent an investment of more than \$100,000 which includes the builder's cost, property value and inventory.

Henry Siner, vice president of the glass and paint firm said November is the month they expect to have the store open.

He said that his firm had conducted a comprehensive survey and three communities "looked interesting." Lemon Grove was chosen because of the evident pride residents had in their homes which is a commodity that can be converted into sales of his firm's products, he said. Fast growth is also a contributing factor, Siner said.

Connell said the firm would handle only nationally known products as they do in four other outlets the firm operates. Devos Paints, Libbey-Owens-Ford Glass, Gelvin's stucco paint and other nationally famous building supplies will be featured. All types of glass installation including auto glass will be handled by the Lemon Grove branch Connell stated.

### Lottie Poser Passes at 90

Mrs. Lottie S. Poser of 8735 Tyler Street, Spring Valley, died at her home Monday, August 6. Mrs. Poser, 90 years old, had been a resident of this area for about 40 years. She had lived in Sacramento for 20 years. Her birthplace was Austria-Hungary.

Private services were held for her at the Bonham Brothers Mortuary, Wednesday, August 8. Cremation followed. Her grandson, Chaplain (USM) Richard Chase conducted. She is also survived by two daughters: Mrs. Frances Chase and Mrs. Grace McLaughlin, both of the Spring Valley address.

Some 55 per cent of the fatal traffic accidents costing \$60 lives over the 1955 Christmas holiday weekend were caused by drinking drivers, according to the National Safety Council.

### Throwin' the Bull

By ROB TURNBULL  
It's a Joke, Son! . . . "Too bad about the disappearance of Professor Jazbo. He was a profound thinker."

Yes, he was always thinking, no matter where he was. The last time I saw him, he was in swimming and he suddenly called out, "I'm thinking, I'm thinking."

You fool! Professor Jazbo spoke with a lisp."

—BT—

To The Cellar, Men! . . . is the combination philosophy, action and present location of our hometown Pacific Coast League baseball nine, sadly titled the San Diego Padres. Some 25 games out of first place and deeply embedded in seventh, we find our border crew fighting the Canadian Mounties for the cellar. Me thinks unless the win column takes a jump a new manager will work with the Pads next year.

Bob Elliott is a very congenial and likeable person and certainly knows his baseball, but the feeling with some individuals and groups is that he should be doing better with the material on hand, even though that isn't too good.

To demonstrate how bad our pitching staff is, recently acquired Vic Lombardi from Seattle leads the Pads in the earned run average, but is 23 on the list in the eight-team league. Ugh! Pitcher Bob Greenwood is unpredictable: Johnny Carmichael has faltered slightly but isn't up to last year's par; Vic Lombardi is mediocre; Pete Mesa is rapidly becoming our No. 1 hurler with six straight victories; Bob Kerrigan "has had it"; Eddie Ernst has had some tough breaks but also isn't up to par; Bob Hall has shown little in relief; Dave Hosking and Albie Atkins are pretty fair at times. With an array of such "outstanding talent" how can we miss sixth place?

Offensively the Padres are in pretty good shape! Dick Sisler leads the stickin' parade with a .342 average and generally has had a good year on the first sack; Bob Usher, .329, is a good out-of-garden player; Eddie Karak, .309, has improved over last year; Al Federoff, .307, probably the Pads' best all-around and yearly consistent player is up to his usual good tricks; Earl Rapp is a complete mess this year along with his fellow "slugger" Harry Elliott; Joe Astroth and Bob St. Claire do good jobs behind-the-plate; Floyd Robinson has let down a mite but still has a roar-

**Fire Chief Gives Warning on Blasting Caps**

Fire Chief H. L. Hensley today launched his annual campaign to protect Lemon Grove boys and girls from injuries caused by blasting caps. "Too many children," the chief says, "get injured in these accidents every year."

A child finding a blasting cap should never touch it, but immediately tell the chief or some other adult.

Know a cap when you see one, to avoid the danger. They are bright copper or aluminum tubes, about as big around as a pencil, and from an inch and a half to five inches long. A cap may or may not have a fuse. Others have plain or colored wires at one end. All are charged with powerful, sensitive explosives. They are necessary to explode dynamite to build bridges, roads and skyscrapers, quarry stone, mine coal and metals.

Blasting caps sometimes get lost or stolen. A boy or girl playing with one may lose fingers, hands or be blinded for life. Men who use caps in their work can be most hurt, particularly against these accidents by keeping them in a strong lock and key. The child's attention to safety rules may be their own boy or girl.

**Local Boy in Air Force Stricken in Flight To San Antonio**

Otto Lynn Warden, Airman 3d Class, came home in July for a visit with his parents, Mr. and Mrs. Ralph Warden, 1848 Elwood Drive, and left for Antonio by air in a plane sent by his commanding officer on July 21. The next day complained of feeling ill and when to Lackland Air Force Base in San Antonio, later to Brooks Army Hospital the same Texas city. He was unable to determine what was wrong, but his mother talked to his doctor on August 10, who told that her son's NOT polio, and that it was another week before the cause of his illness was definitely known.

Young Warden, who is a graduate of Grossmont High, received a training at Park Air Force Base (near San Francisco) and is stationed in South Carolina at McEntire Air Force Base, as Senior Personnel Specialist, a member of the ground crew at present. He must be a very sick boy when the doctors in the Army are unable to diagnose his case in more than weeks.

Warden's legion of friends in Lemon Grove will all be pulling for him, and we hope to have news for them soon.—D. H.

**Mount Helix Council Aims 100% P.T.A. presentation**

Thirty members of Mt. Helix P.T.A. met at the home of President Mrs. Don Irvin, 2423 Central, Spring Valley. Mt. **RESOLUTION OF INTENTION TO QUITCLAIM**  
all of the interest owned by the Grossmont Union High School District in certain Real Property, No Longer Needed for School Classroom Buildings, in the County of San Diego . . . . .

On motion of Member Hall, seconded by Member Freeman, the following resolution is adopted:

WHEREAS, the Grossmont Union High School District of San Diego County, California, is the owner of certain real property more particularly hereinafter described; and

WHEREAS, in the judgment of this Board said real property is no longer needed for school classroom buildings by said district; NOW THEREFORE

IT IS RESOLVED by the Governing Board of the Grossmont Union High School District of San Diego County, California:

That, pursuant to Sections 1860 to 1865, inclusive, of the Education Code of the State of California, this Board hereby finds that the following described real property owned by said District is no longer needed for school classroom buildings by said District:

A Right of Way in fee for purposes of a Freeway over and across the following described property lying within the Resubdivision of West Avondale according to Map thereof No. 1456, filed in the Office of the County Recorder of said County.

The East 150 feet of Lots one to three inclusive; the East 150 feet of the Alley adjoining said Lot 1 on the North; The East 150 feet of lots 49 to 53 inclusive; The East 150 feet of that portion of Lot "A" of said Resubdivision of West Avondale conveyed by said Grossmont Union High School District by deed recorded in Book 5127, Page 138 of Official Records of said County; The East 150 feet of the N 1/4 of Avondale Road adjoining said portion of Lot "A" on the South; Also the East 150 feet of those portions of Miltachi Street and Spring Street as shown on said Map No. 1456, as vacated and closed to public use by order of the board of Supervisors of said County; Together with any and all other's rights, including access rights, appurtenant to the remaining portion of the entire larger tract of which said above described property is a part, in and to said County Freeway;

EXCEPTING and reserving, however, unto the Grossmont Union High School District, their successors or assigns the right of access to said Freeway over and across the following described lines:

The west line of the north 10 feet of said east 150 feet of Lot 3, and the west line of said east 150 feet of alley adjoining said Lot 3, on the north; Also the west line of south 10 feet of said east 150 feet of said portion of Lot "A" so conveyed by said deed and the west line of the N 1/4 of the east 150 feet of Avondale Road.

BE IT FURTHER RESOLVED that this Board hereby declares its intention to quitclaim all its interest in said real property and will convey title thereto by quitclaim deed to the County of San Diego, California.

BE IT FURTHER RESOLVED that a public meeting of this Board be held at its regular place of meeting, in wit: District Administrative Office, Grossmont Union High School District, Grossmont, California on September 6, 1956 at 7:00 p.m. o'clock at which time and place any person desiring to protest said proposed conveyance may appear and be heard.

BE IT FURTHER RESOLVED that notice of the adoption of this Resolution and of the time and place of holding said meeting shall be given by publishing this Resolution signed by all members of this Board not less than once a week for three successive weeks (four insertions) before said meeting in the Lemon Grove Review, a news paper of general circulation published in said district.

PASSED AND ADOPTED by the Governing Board of the Grossmont Union High School District, this 6th day of August, 1956.

L. G. Review, August 16, 23, 30 & Sept. 6, 1956.

NOTICE OF SPECIAL ELECTION PERTAINING TO THE ANNEXATION OF SOUTHERN ROAD TO THE CITY OF LA MESA  
NOTICE IS HEREBY GIVEN that, pursuant to Ordinance No. 719 of the City of La Mesa and

to the Annexation Act of 1913, a special election has been called, to be held the 28th day of August, 1956, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation be subjected to taxation, equally with the property within the City of La Mesa, to pay the entire bonded indebtedness of the City of La Mesa, outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows:

All of that unincorporated area in the County of San Diego, State of California, lying within the following described line:

Beginning at the Northwest corner of Lot 7, Block 31, El Cajon Heights, according to Li Survey Map No. 50, records of said County, said corner being also a point in the boundary line of Southern Road Subdivision, according to Map thereof No. 2800, records of said County;

Thence along said boundary South 59' 59" 15' East 106' 79" feet; North 51' 48" East 224' 51" feet;

North 40' 05" East 218' 43" feet; North 56' 03" East 70' 00" feet; North 79' 39" 57' East 150' 68" feet; South 2' 27" 45" East 383' 17" feet; South 50' 50" 15" East 530' 98" feet; South 3' 25" 20" West 201' 41" feet; South 0' 00" 45" West 397' 00" feet; to the Southeast corner of said Southern Road Subdivision; thence continuing westerly along said boundary North 59' 59" 15' West 935' 00" feet to the Southwest corner thereof; thence North 12' 16" 15" West 774' 78" feet to the POINT OF BEGINNING.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as "SOUTHERN ROAD ANNEXATION."

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 6279 Dixie Drive.

The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said August 28th. Upon the ballots to be used in said special election there shall be printed the words:

**SAN FRANCISCO (Sp) -** The Lemon Grove School District was advised today that its application for an advance in the amount of \$10,400 for preparation of preliminary plans for a new school had been approved by the community facilities administration.

The announcement was made in San Francisco by M. Justin Herman, regional administrator, Housing and Home Finance Agency and Congressman James W. Hall, D-California.

Funds advanced, which are in

the form of an interest-free loan,

repayable when construction

starts, will enable the district to

proceed immediately with plans

for a 14 classroom intermediate

school to be located on lots 8

and 9 of Lemon Grove Addition

No. 1 in San Diego County. Con-

struction, which is estimated to

cost approximately \$600,000, is

expected to start early in 1957.

## TWO GROVE GIRLS OFF TO 'T CAMP

The County YMCA girls' Camp period at YMCA Camp Marston, near Julian, will begin Friday, according to Bill Poirier, County Y General Secretary. 126 campers are enrolled and others on a waiting list.

A complete summer camp experience is provided during the August 17-24 girls' period. Many of the campers are girls' G.Y. and Junior Tri-H-Y club members.

The following Lemon Grove girls are enrolled:

Karen Dahl, 1829 Encinitas St. and Connie Perkins, 6927 Wante Dr. The camping program is provided as a Red Feather County YMCA service.

## GOAT ASSOCIATION PLANS MEETING

The Goat Association of San Diego County has planned three meetings, with a potluck dinner at each. The first meeting was held Sunday at Eucalyptus Park. The second meeting is set for September 9 at El Monte Park and the third meeting for October 14 at Felicita Park near Encinitas. Anyone interested in goat breeding or dairying is invited. Mrs. Gordon Edgerton of Julian, who has been publicity chairman, has recently resigned.

In our opinion, another depression, of the severity of the one in the thirties, is impossible.

## ABOUT CIVIC CENTER

(Continued)

Supervisor Gibson said the need for the present quarters of the board in Civic Center was pressing, and he favored the change. Other members of the board concurred, and plans will be drawn at once. Referred to department of public works.

Fifteen paragraphs on the agenda—two pages of typewritten matter—all relating to welfare matters.

Paragraph 13: Letter from chief administrative officer recommending that county property No. 120, deeded to the county with life estate reserved by Geo. W. Bristol, be turned over to the public administrator for disposal and settlement of the county's claim totaling \$7,885.80, and stating that there are now nine such properties held by the county, four of which are still occupied by the original grantors, and five have been reviewed for disposal.

Letter from D. C. C. Spring Valley, recommending that the county provide a court type of residence where pensioners might reside at low rates instead of it being necessary for them to inhabit rest homes at much greater expense.

The department of public works submits seven subordinate agreements for acceptance by Spring Valley Sanitation District. (Approved by county counsel.) Rights of Way

Road Survey No. 803—Grove Street, Lemon Grove; Grant deed executed by Edward E. and Mary J. Quackenbush Nelson. Payment of \$750 to them.

Road Survey No. 1403—Massa-

chusetts Avenue, Lemon Grove. Grant deed executed by First National Trust and Savings Bank of San Diego.

Quitclaim deeds executed by Robert S. and Edith B. Beers, and by the Texas Co.

Payment of \$5,000 to First National Bank. Payment of \$25 to Robert S. and Edith B. Beers. Payment of \$375 to the Texas Co.

Application for transfer of alcohol beverage license by Hugh S. Braley and Mabel M. Braley, 1186 Balford. Spring Valley—off sale beer and wine granted. Two other transfers, one in Chula Vista, the other in San Ysidro, were granted, also an on sale beer license granted to Fred L. Brisebois and Chas. W. Rogers, 1186 The Holocaust. Borregas Springs. Fallbrook got an off sale license for beer and wine.

Copies of letters from auditor J. C. Ferrugia to the following districts advising them of their shares of the Wherry Housing Tax Refund. (The REVIEW was the only paper that printed the story about this refund.) The suit went to supreme court, was remanded and a new trial ordered, hence the refund.

Carroll Smith, chief deputy DA

trial lawyer, arranged a compromise and suit was settled.

Copy of letter from the surveyor and road commissioner to Mrs. Effie A. Gooden, Lemon Grove, concerning her request for the grading and surfacing of North Avenue in Lemon Grove, and a request for traffic signals at Broadway and Massachusetts Avenue in said city, stating that county policy would not permit the surfacing of North Avenue because it is not a through-traffic major street, but that if the property owners along the street would pay for the road oil at the rate of 22 cents per front foot of their property, his department would request the board to appropriate the balance of the funds for paving, and stating that his department is working on plans for traffic signals at Broadway and

Massachusetts Avenue and expect to have a contract under way in a few months for the improvement of Massachusetts Avenue and the signals.

## Work On Bancroft School To Start This Year

"Work on the new Bancroft School should start in the very near future and should be completed by next spring, thus eliminating double sessions," said Dr. Ted Dunn of the La Mesa-Spring Valley School District, last week.

The La Mesa-Spring Valley School District intends to award the contract to O. L. Carpenter of Lemon Grove, who was low bidder. The total cost will be \$155,300, which will include developing of the site, drainage, fencing, grading and surfacing.

The construction of the building will include 16 classrooms, two kindergarten, a multi-purpose room, office and storage space. Net building cost will be \$11.25 per square foot.

In comparison with similar projects, which are elementary schools, the cost of the Bancroft School is 15% per cent below the square footage cost allowed under the state aid regulations.

The average cost construction for 16 elementary projects reviewed by the state department of finance on July 25 was \$12.92 per square foot.

Although the cost is lower than costs for similar projects, it still reflects recent increases in construction costs. The general contractor indicated that if the school could have been built six months ago the cost would have been at least \$1.50 less per square foot.

School District Assured of Severin Manor Aid

School officials of the La Mesa-Spring Valley School District have been assured by the department of finance that the state-aid application for the school to be built in Severin Manor will be on the agenda of the local allocation board of the department of finance at their meeting scheduled for August 17.

The application for the school was prepared and ready for the July meeting. However, because of differences in interpretation of regulations by the department of finance and the department of education, the application was removed from the July agenda. In an effort to have the application considered and approved so that construction of the school can get under way, the school district amended the original application. By using an end-of-school enrollment and completing another new house count throughout the district, sufficient eligibility has been obtained to qualify the district for the elementary school in Severin Manor for 18 classrooms, two kindergarten rooms and office space.

At a special meeting of the board of education held last Wednesday, August 1, authorization was approved to call for bids for the construction of the school. Having received assurance from the department of finance that the application will be on the agenda August 17, the district will save approximately three weeks by advertising for bids at this time.

The completion of the school in Severin Manor and the Bancroft Elementary School will permit the district to remove half-

### Prince Rainier and Grace Kelly Not Popular in Monaco, Letter Reveals

A letter received by a Lemon Grove resident from a friend now living in Nice, France, reveals the lack of popularity of the prince and his movie queen bride, now and raised in Monaco.

"Monaco is a small independent principality in Europe, area 2 square miles, population 41,000-22,973. It is supported principally by the revenues of the gambling casino at Monte Carlo." The letter referred to had six French stamps, totaling more than 65¢—none of the stamps had no value printed.

Here is the letter:

Now, on the French Riviera, Saturday

Monaco is to Nice what La Jolla is to San Diego, so you see we dash back and forth on the local city buses in a matter of 25 minutes—I spent a lot of time in the Kingdom of Kelly, and what a sultry, huffy little kingdom it is today. While the stern Prince Rainier and his cool Princess Grace Patricia are away

keeping their distance in Paris (740 miles away)—however they are to return today—that little sun-drenched principality here is very peevish indeed.

The sad truth is that the "marriage of the year" is not bringing all the things bright and beautiful that the 20,000 people of Monaco hoped for. They hoped their lovely swan-like princess would be seen around in public. No one in Monaco has seen the lovely princess, except a chosen few Americans and Sir Winston Churchill. They hoped their serene highness would visit the hospital and the orphanage. But nobody there has seen Kelly.

They also dreamed that the blue-eyed beauty from Philadelphia would bring a boom to Monte Carlo, to help the local industry—which is money. But while few are the dollars that have trickled into Monaco, there is no evidence of extra sous, pfennig, lire, peseta, rouble or yen. And that is the interest of all to this roulette-happy paradise on the Riviera. Even those Grace Kelly stamps aren't selling as well as they thought they would.

It looks like even Hollywood has dropped the Princess like a ton of her father's well-baked bricks. I noticed in a local newspaper that producer Charlie Feldman, who spent more than \$70,000 for a script of the "Grace Kelly Story," has ditched the whole scheme. He said it was not a popular theme any more.

Actually the one big complaint in the Kingdom of Kelly is the aloofness of their prince and princess, but most of the inhabitants in this sun-drenched principality are reluctant to mention it.

A friend of mine talked to an official in the information section of the principality and tactfully asked "What is the feeling of the people here toward their new princess?" In reply the of-

ficial closed his eyes, looked at the ceiling and threw up his arms like a frantic appeal to an umpire—but said nothing. When the question was repeated, the official replied: "Mains—I can say nothing. I will tell you all about the town, about the current exhibits and our famous display of modern German art—or better still, take this guide booklet free but I know nothing about the princess."

To another friend of mine talked to a local policeman, "Is Monte Carlo pleased with its new princess?" He gave a French shrug one shoulder up and eye closed. "Pouff!" he puffed, which is a pretty straight answer, you'll have to admit, from a Frenchman.

Personally, I talked to a young Monegasque socialite. "Grace is not behaving like a princess, nor like a leader of society," she said. "She is behaving like a film star who badly wants to be let alone. We thought she would be giving parties, and having her picture in international magazines and be hostile to royalty from other countries, but she hasn't—she even goes to Paris to buy her clothes"—and here was my clue—this socialite is the silent owner of a very chic Monte Carlo dress shop.

For 100 francs you can see a goodly portion of the palace, during the time that their highnesses are not in residence. For my 100 francs, I saw Grace Patricia's throne, the marble table where Rainier signed the marriage register, and a large black marble bust of the prince himself. On the way out is a money-box marked

"For Personnel of the Palace." I put 50 francs in—for a rainy day.

While I was buying my new Volkswagen in Monaco, I asked the dealer what he thought of the wedding. "What wedding?" he said. End of interview. De-

spite rumors to the contrary, what the Monegasque people most is that from where they work, sleep and play on the sun-drenched beaches of the Riviera, there is not heir yet apparent.

I know you have read and seen so much about this "wedding of the year," that any mention by me of Monaco and the Kelly Kingdom would only add to your boredom. I mention this only to acquaint you with the locale of my current choice. I'm right here among 'em. I've seen so many 21-carat diamond rings on flatulent, sad-hosannas broads here on the Riviera that I have recently bought myself a starker pair of sun glasses. Like Cannes, and Monaco. Nee, is this paradise of Thunderbirds, Bentleys, Rolls-Royces, Cadillacs, Austin-Healeys, Mercedes-Benz and Karmann-Ghia. Walking down the Promenade des Anglais any time of day or night is like attending an automobile show. And they have the nerve to say that Europe is poor and needs our American aid! NUTS! I've talked to many Frenchmen and asked them if they saw any of the 35 million dollars the U. S. sent over in surplus aid as a result of the freeze last winter. No one here seems to know anything about it. I wonder if the ambassadors make deals with regular channels of trade to dispose of this surplus stuff?

(A paragraph of a personal nature follows.)

Henri Leleu

Heir Expected by Grace Kelly

A press dispatch last week from Monte Carlo, Monaco said:

"His Serene Highness Prince Rainier III, Prince Sovereign of Monaco, announced in a broadcast message to his people that her Serene Highness, Princess Grace, is expecting a baby to be born in the month of Feb-

ruary."

By the terms of a treaty with France, this principality on the Mediterranean becomes subject to French taxes and its men to the French draft, if Rainier dies without an heir. Rainier and Grace were married April 18 and 19 in Monaco.

### Students at Costa Mesa Bible College Wed in La Mesa Tabernacle

Mrs. Nita Lucas, daughter of Mr. and Mrs. Robert E. Lucas, 1839 Imperial Avenue, Lemon Grove and Wilson Hickam, Santa Ana, son of Mr. and Mrs. Charles Hickam, Wilmar, Arkansas, were married in La Mesa Tabernacle on August 4 at 8:15 p.m. The bride was a vision of innocence in her gown of white lace and tulle.

Included in the bridal party were: Mrs. Betty Clinton, Mrs. Mary Hess, Miss Mary Lou Hetherley, Miss Cindy Lucas, Miss Donna Allen, Miss Charlotte Crossant and ring bearer Gary.

After a two weeks honeymoon in Mexico City, the happy couple will reside in Tustin, where the groom is pastor of the Assembly

### Victor Mitchell Passes

Blessed last Thursday and High Mass Friday at the Holy Trinity Church of El Cajon was held for Victor Mitchell of 10455 Camino Road, Spring Valley, who passed away last week at the age of 63. Interment was at Holy Cross.

Mr. Mitchell, an engineer at Convair, had lived in the Spring Valley area about five years, and in El Cajon five years. His birthplace was given as Lithuania.

Besides his wife Rose, he is survived by two sons, Paul and Kenneth, and a sister in Massachusetts.

Local Church Sponsoring  
Play at Cal Western U

The Pilgrim Fellowship of the First Congregational Church of Lemon Grove will be one of the sponsors for the California Western University Players production of the world famous morality play, "Everyman." This will be given in the Greek Theatre on the campus of California Western University on the afternoons of August 25th and 26th at 3:00 p.m.

This play, when presented last summer, aroused a great deal of favorable comment and is being repeated by popular request. Its universal theme of life, death, and resurrection has impressed audiences since its first production in England in 1520. It is considered one of the great classics of literature and certainly the most beautiful and moving of all morality plays.

The Greek Theatre is ideally suited as a background, with the temple on the hill representing Heaven; the small temple on the other side representing Hell, and the temple in the center, the world. Against this lovely background with the blue Pacific in the distance the play unfolds its mysteries in awe-inspiring and breathless moments. Bruno Ussher, writing of last summer's production in the San Diego Evening Tribune said, "Everyman" was given in an abbreviated, hour-long, and yet impressively sustained version. The medieval morality play with its basic symbology of transient and lasting values shows Man on his way to the throne of final judgement. Neither friend nor king, neither wealth nor wit sustain and plead for him. Only good deeds count."

Tickets are \$1.00, and may be obtained from the Pilgrim Fellowship, or by phoning Rev. Bruno Puschel at HO 5-6233.

Local Lads Complete  
First Local 'Y' Day Camp

About 300 Heartland boys 7-12 years of age will have participated in the first local County YMCA Day Camp when the fourth period ends Friday, according to John A. Davis, Y Public Relations Chairman.

Davis expressed satisfaction in the progress expressed by both parents and boys. Two week periods included week days from 9:30 a.m. to 4:30 p.m. and included a variety of camp activities centered at El Monte Park, near Lakeside.

Lemon Grove and Spring Valley campers to complete the fourth period Friday are: David Alpert, Jimmy Manning, John Peterson, Robert Ursillo.

The Red Feather County YMCA service has been available to all community youth of the ages served.

### FIRST NIGHTERS

By SARA MAY

My son Howard and I were among the first nighters last Thursday evening to enjoy the opening, when "Hit the Deck," a rousing comedy of sailors on shore leave with their girls played to a capacity audience at the Balboa Park Bowl.

Cheerful and tuneful, just the right spirit for a festive minded, city to enjoy.

We especially enjoyed the singing of Gene Clarke (Bilge in character) when he sang several of the Vincent Youman's hit tunes.

Martha Gene (Lee Loot) gave

her first rate performance, both as a singing actress, and the girl who was left behind, who finally won her man (Bilge).

Peggy Howerton was charming as Toddie.

The Margaret Ellcott dances, as usual, presented a superb performance.

### NEBRASKANS TO HAVE

#### PICNIC NEAR ESCONDIDO

The sixth annual Nebraska picnic will be held Sunday at Felicia Park, near Escondido. Former residents of the Cornhusker State and visitors from that region are urged to attend the mid-day event.

Free lemonade and coffee will be served from 10:30 a.m. until 4 p.m. Those attending are asked to bring their own picnic lunches.

The committee in charge of arrangements includes A. A. Jedidiah, Hoyte Smithers and R. T. (Hub) Nelson.

### Church Group Petitions

#### Russian Premier

#### To Free Prisoners

Jehovah's witnesses, in District Convention at Long Beach Municipal Auditorium, earlier this month petitioned Soviet Premier Nikolai A. Bulganin to free its members from Russian slave labor camps.

The petition, adopted by 10,709 conventioners, is in behalf of thousands of Jehovah's witnesses confined in the many slave labor camps behind the Iron Curtain.

It was a similar petition in the form of a telegram that warned Hitler to release the thousands of Jehovah's witnesses he had incarcerated or "Jehovah would destroy him and his national party." Hitler refused but today Jehovah's witnesses are now prospering in Western Germany.

The Long Beach District Assembly is one of over a hundred such assemblies throughout the world sending this identical petition and letter to Bulganin and the Communist Government.

Several members from Lemon Grove are active in the program.

#### UNDERSTANDING GOD

#### CHRISTIAN SCIENCE TOPIC

The Christian Science churches will have as their Lesson-Sermon topic on Sunday, "Mind." This subject relates to the wisdom, knowledge, and understanding of God and His gift of consciousness to man.

The Golden Text is from the 147th Psalm, "Great is our Lord and of great power: his understanding is infinite." (147:5)

## friend of the family

### A MODERN HOME FREEZER HELPS YOUR WHOLE FAMILY TO LIVE BETTER — ELECTRICALLY!

A modern home freezer is just about the best friend any family ever had. Every day of the year, a home freezer is a treasure chest of pleasure for Mom... for Dad... and for the Kids.

#### SUPER CONVENIENCE . . .

Buy and store in quantity... keep plenty of delicious food on hand to meet the emergencies that arise when unexpected guests drop in. Cut down on shopping trips... budget your kitchen time, too. Prepare special dishes at your leisure, then tuck them away in the freezer till you're ready to serve them.

#### GENUINE ECONOMY . . .

Save by buying in quantity, and by taking full advantage of low, in-season prices. Preserve the prize fish and game that Dad brings home.

#### YEAR 'ROUND PLEASURE . . .

Your family's favorite delicacies are never out-of-season. Enjoy good eating all year long.

To Mexico City for  
Month's Vacation

Mr. and Mrs. Harry W. Strong, 7435 San Miguel Avenue, and three children, left last week on a month's vacation trip to Mexico City. They expected to go to No-gales, then use the recently completed highway to the "Capital."

Their station wagon was pretty well loaded with camping necessities, including water, which they expected to need at "dry" camping places. Of course, Lemon Grove water was not taken, as there is still water available in Arizona, despite the water suit now pending in the courts for Arizona's share in Colorado River water.

Bernard Strong, eldest son of the family—he is 16 and will be a Junior at Helix High next term, has been saving his Job for Jitters money to buy a car, and was undecided about taking the trip, finally bought a used Ford for \$37, took out the engine and cleaned it, put it back and then decided to take the trip and wait till later to put the car in shape. Bernard is a capable mechanic, savvies electrical appliances on autos. Mr. Strong is employed as mechanic at Solar Aircraft so that any possible mechanical failures will be taken care of without a tow car.—D. H.

ENDS NAVY TOUR OF DUTY

Lieutenant Edwin H. Koester, U. S. Navy, son of Mr. and Mrs. Edwin R. Koester of 7429 Montana St., Lemon Grove, and husband of the former Miss Mary Jean Tipton of Phoenix, Arizona, was honorably discharged from the Navy June 28.

Galland's New Liquor  
Store-Delicatessen Opens

Lee Galland, who opened a small beverage store in Lemon Grove eight years ago, this week formally unveiled his new 2,400 square feet of modern-functional building which cost more than \$30,000.

The new building is located at 7245 Broadway, near Massachusetts and is known as Grove Liquor and Delicatessen.

Galland said the demand for good things to eat in connection with beverage buying had contributed to his decision to add quality delicatessen items to his store.

The new building occupies a lot 80 feet wide. Another part of the project, a matching building is occupied by Burns Radio and Television at 7247 Broadway. He previously occupied the same location but in an older building which was moved to make way for the new one.

Both buildings have wide sweeps of glass on three sides and have low-pitched roofs covered with vivid red crushed rock roofing.

Galland spent 14 years with Bohemian Brewing and 4 years with the Air Force in Europe prior to opening the Lemon Grove store.

**Sixty Two Floats to Take Part in Rose Parade**

With floats from far away Switzerland and Mexico in the lineup, the entry list for the 66th Annual Tournament of Roses Pa-

rade scheduled for New Year's Day in Pasadena has been closed with the maximum limit of 62 major floats, tournament president John S. Davidson announced.

This is the earliest closing date for the parade in history. Among the more distant participants are State of Oklahoma, St. Augustine, Florida; Phoenix, Arizona; San

Antonio, Texas; St. Louis, Missouri; and the United States Army, Washington, D.C.

Beverly Hills, winner of several sweepstakes awards in yesterday's Tournament of Roses parades, is returning to the lineup to compete for this high honor with such regular prize winners as Long Beach, Glendale, San

Francisco, and Monterey Park.

The parade theme, "Famous First in Flowers," has produced some very original float designs. Among those chosen at this date are "First Date," "First Newspaper," "First Formal," "Lindbergh's First Flight," "First Bible," "First With the Most," "First Day of Spring," "Garden of Eden," "First Nighters," "Baby's First

Tooth," and the "First Satellite."

The 1957 parade is now composed of 33 city floats, 2 nations, 17 civic organizations and 10 commercial organizations, parade entry chairman J. Randolph Richards stated. There remain 20 bands to select and 200 equations will be invited to participate, he said.

ther.

A report of the accident stated that Mark broke away from his mother on the parking lot of the Food King Market on Camp Road, and ran into the side of a passing truck. The boy was taken to the Grossmont Hospital for treatment of minor injuries and then released. The truck driver was not held.
